

BUS SERVICE - PRE-NURSERY TO GRADE 5

Dear Parent,

Kindly note that the bus service for pre-primary and primary students is compulsory as per the instructions received from the traffic police department.

Our school is situated on the VIP road and hence we have to follow these instructions.

All parents are informed and explained clearly about the mandatory bus service and the existing routes at the time of admission. The bus routes are fixed and cannot be changed.

Kindly do not request for changing the bus routes or for permission for private vehicles/van/car pools.

Cooperation of parents with the school authorities is solicited.

Thanks and regards,

Mrs. Madhu wadke
Principal
